

MOBILE PILING PLANT MECHANIC

Bauer Technologies is proud to be an equal opportunity employer and is fully committed to providing equality in the workplace, free from discrimination and harassment, for all employees.

Bauer is currently recruiting a **Mobile Piling Plant Mechanic** to join Bauer's project sites, which are located throughout the UK.

Bauer offer a competitive wage and company benefits package.

Bauer is a Disability Confident employer. Applicants who have declared a disability and who meet the essential criteria for the post will be considered.

The successful applicants must be able to work efficiently and honestly, in a dynamic construction environment. Candidates will need to have an interest in construction, demonstrate self-motivation, the drive to succeed and the ability to meet high standards in safety and quality.

A flexible approach to the working day is essential, along with the willingness to work out of hours, as required. The role also involves working away from home during the week.

If you would like an informal discussion prior to applying, please send an email with your name and contact details and a suitable time for a call will be arranged.

To apply for this position please send your CV and covering letter to recruitment@bauertech.co.uk by 13 August 2021.

NO AGENCIES AT THIS TIME PLEASE.
